

## LEFT

## RIGHT

### Notes:

- 3/4" Birch Plywood (w/ Edge banding?)
  - Perforated back panel for ventilation
  - Cabinet below for weights and cable storage
  - \* How do we keep it from falling over?
  - 19" rack space for Eurorack?  
Eurorack measurements for ref:  
1hp = 1/5"  
1u = 5-1/4"
  - Pomona-style cord hangers on sides
  - Hinges permit locking into flat patching surface, folding for storage
  - Need interconnect to route power from left cabinet to right.  
Could put jones plug jack in free space and use jones plug jumper to interconnect.
- Cinch P/N:  
Male plug: P-310-CCT  
Female plug: P-310-CCT-L
- Newark.com part numbers:  
39F285 - 10 position plug
- Becoming difficult to find jack (discontinued)
